MIDITER Around the World: Bringing Sri Lanka's Flavors to the World

We recently showcased our products at Fine Food Australia 2025, connecting with international buyers and sharing our story of sustainability and innovation. The positive response has inspired us to continue expanding our reach and introducing Sri Lanka's finest plant-based products to the world. The event was a great opportunity to strengthen existing relationships and forge new ones with key players in the global food industry.

Looking ahead, we are preparing for two more exciting global exhibitions: Anuga 2025 in Germany and the Organic and Natural Expo in Dubai. These platforms will allow us to showcase new products, engage with global buyers and strengthen our international presence.
